

# July Clearance Sale

This is the most extensive sale of its kind we have ever held. The entire store is overflowing with new things that we simply must clear. We have the merchandise and we price it here for less. We can and do price our merchandise for less for these reasons:

We sell for cash. We have a low overhead expense. We do not have a large store fixture account that has to be charged off every year. Our customers derive the benefit of this economy, always.

## June Was the Largest Month in Our History

More proof that we sell for less—and carry good merchandise. We want our customers and friends to know that we appreciate their patronage and will endeavor at all times to merit a continuance of their support. Without it we cannot continue to grow—WHICH IS TO OUR MUTUAL ADVANTAGE) and give to the district a store worthy of this community.
